OUR MISSION

'To provide high-quality, industry-relevant Technical, Vocational Education and Training that equip trainees with the technical skills, practical experiences, and innovative mind-sets required to excel in their careers and contribute meaningfully to the workforce and society.'

OUR VISION

'To be a leading Centre of excellence in Technical, Vocational Education and Training, empowering individuals with the skills and knowledge to drive sustainable development and economic growth in Namibia and beyond.'

CORE VALUES

To guide the conduct and culture of all staff within GVTC in the execution of the Business Plan, we undertake to uphold the following core values:

Demand-driven, Accountability, Integrity, Innovative, Quality service delivery and Inclusivity (DAIIQI).

CORE VALUE RATIONALE

Demand-driven = We remain the given course.

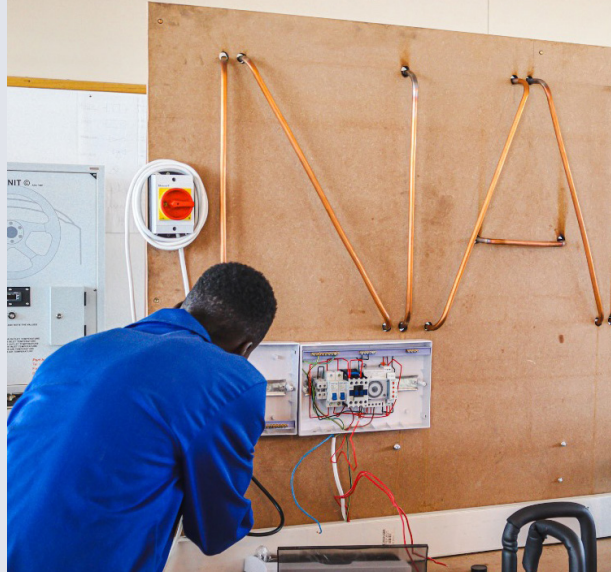

Accountability = We remain true to our calling and profession.

Integrity = We maintain the highest level of integrity both at individual and Centre levels.

Innovation = We strive to find new and better ways in skills development.

Quality Service = Apart from the desired quantities we strive to deliver quality in the delivery of our services for a lasting impact.

Inclusivity = We do not discriminate the provision of training opportunity, but indeed go the extra mile to include the most needy in our society.

GVTC CORE BUSINESS

Delivering hands-on, practical training programs that equip trainees with the skills and knowledge needed for specific occupations, or careers.
